I want to thank her for stepping up when she did. And particularly during my surgery, she filled in when I couldn't and for that, I am very grateful.

While I was unable to attend region last month. I'm aware that there are two motions that I have attached.

When is about establishing a liaison, so that efforts between various committees related to MARLCNA, and the regional service committee can be coordinated more effectively.

The second motion is about the timeline for which the regional secretary has to send out the regional minutes. They would like the minutes sent before the end of the month. Unfortunately, I do not have minutes from last month yet.

In loving service,

Gentry L
