Amendment-  
To have region change the policy for regional secretary to read "Regional minutes will go out before then end of the month of each RSC in the same month of each RSC.

**INTENT:** The policy currently states 6 weeks. If the area receives minutes within 10 days, then such info such as Zonal motions and Regional motions would get to Area in time for them to get to groups and then back to area before Region meets again, allowing groups to continue to be the driving force in NA service.
